NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MOUNT VERNON, WASHINGTON, DO ORDAIN AS FOLLOWS:

SECTION 1. Findings

That the City Council adopts the recitals set forth above as findings of fact justifying adoption of this Interim Control Ordinance and incorporates those recitals as if set forth fully herein. The Council may adopt additional findings in the event that additional public hearings are held or evidence presented to the City Council. The City Council makes the following additional findings in support of the adoption of this Interim Control Ordinance based on the testimony and evidence presented:

1. The City Council takes legislative notice of the evidence of conduct, activities and crimes occurring in and around adult entertainment businesses located in other jurisdictions, which the Council hereby deems to be relevant to the experience in Mount Vernon, as reported in judicial opinions including for example, but not limited to, *Kev, Inc. v. Kitsap County*, 793 F.2d 1053 (9th Cir. 1986), *Ino Ino, Inc. v. City of Bellevue*, 132 Wn.2d 103 (1997), *DCR, Inc. v. Pierce County*, 92 Wn.App. 660 (1998) and *Colacurcio v. City of Kent*, 163 F.3d 545 (9th Cir. 1998);
2. The City Council takes legislative notice of the evidence of conduct, activities and crimes occurring in and around adult entertainment businesses located in other jurisdictions, which the Council hereby deems to be relevant to the experience in Mount Vernon,, as reported in the studies and findings of other city and county legislative bodies that have also adopted ordinances regulating adult entertainment businesses, including by way of example, but not limited to, the cities of Olympia, New Orleans, Seattle, Federal Way, Des Moines, Kelso, Everett, Snohomish County, Bellevue, and jurisdictions within Texas.
3. The operation of adult entertainment businesses has historically and regularly been accompanied by secondary effects that are detrimental to the public health, safety,

morals, economic vitality and growth, and general welfare of the citizens of Mount Vernon. Such secondary effects include, by way of example but not limited to the following:

- a. Significant criminal activity and activities injurious to the public health, safety, morals, economic growth and vitality, and general welfare of the community;
- b. Detrimental effects on nearby businesses and residential areas; and
- c. A decline in property values in the area of the adult entertainment businesses.
- d. The history of criminal and injurious activity includes without limitation prostitution, narcotics and liquor law violations, breaches of the peace, assaults, employment or involvement of minors, sexual conduct between customers or between customers and entertainers, the opportunity for the spread of sexually transmitted diseases and the presence within the industry of individuals with hidden ownership interests and outstanding arrest warrants.

Accordingly, there is a compelling need and interest to regulate adult entertainment businesses as provided in this ordinance to protect and promote the public health, safety, morals and general welfare of the citizens of Mount Vernon.

4. The resources available for responding to problems associated with adult entertainment businesses are limited and are most efficiently and effectively utilized through appropriate zoning and a licensing and regulatory program.
5. The license fees required in this ordinance are necessary as reasonable fees imposed to help defray the costs of processing the license applications and the substantial expenses incurred by Mount Vernon in regulating the adult entertainment industry. License requirements set forth in this ordinance are necessary to detect and discourage the involvement of organized crime in the adult entertainment industry, to prevent the exploitation of minors, to assure the correct identification of persons working in adult entertainment businesses, to effectively deploy its limited law enforcement resources and in order to effectively protect the public health, safety, morals and general welfare of its citizenry, the City must be fully apprised of the identity, age and criminal background of managers in adult entertainment businesses.
6. It is necessary to have a licensed manager on the premises of an adult entertainment business during all hours of operation so there will be a person responsible for the overall operation of the business, including the actions of customers, entertainers and other employees. To monitor the actions of these individuals, a manager must be able to observe these individuals at all times.
7. To prevent the exploitation of minors, to assure the correct identification of persons working in adult entertainment businesses, to effectively deploy its limited law enforcement resources and to effectively protect the public health, safety, morals, economic vitality and growth and general welfare of its citizenry, the City must be fully apprised of the identity, age and criminal background of entertainers in adult clubs.

8. Sexually oriented adult entertainment uses are directly related to or associated with increased rates of crime including but not limited to, prostitution, narcotics, and sex-related crimes.
9. Sexually oriented adult entertainment uses are directly related to or associated with declines in property values, especially those of residential areas.
10. Sexually oriented adult entertainment uses are directly related to or associated with degradation of the quality of life within a neighborhood.
11. Exposure of sexually oriented adult entertainment uses may be particularly harmful to children and minors creating serious adverse effects on their development as mature, disciplined, and social members of the community. This is of particular concern in the City of Mount Vernon where over 27% of the population is under 18 years of age.
12. Numerous other jurisdictions have attempted to address these adverse secondary effects by regulations which limit the zones in which sexually oriented adult entertainment uses are allowed and create buffers around such uses. The City of Mount Vernon relies on the validation of these methods by the United States Supreme Court, including in Renton v. Playtime Theater and Young v. American Mini Theaters, and by the Washington State Supreme Court in Northend Cinemas v. Seattle, which recognize local governments legitimate interest in protecting and preserving the quality of life through effective land use planning.
13. Areas within close walking distance of single and multiple family dwellings should be free of sexually oriented adult entertainment land uses.
14. Areas where children could be expected to walk, patronize or recreate should be free of sexually oriented adult entertainment land uses.
15. Sexually oriented adult entertainment land uses should be located in areas of the City which are not in close proximity to residential uses, churches, parks, trails, schools, child care facilities, libraries, game arcades and other similar facilities or uses.
16. Sexually oriented adult entertainment land uses should be regulated by zoning to separate them from other dissimilar uses just as any other land use should be separated from uses with characteristics different from and incompatible with itself.
17. A reasonable time, place, manner regulation of sexually oriented adult entertainment businesses and land uses will provide for the protection of the community and its property values, and protect the residents of the community from the adverse effects of such sexually oriented adult entertainment land uses, while providing those who desire to patronize sexually oriented adult entertainment land uses such an opportunity in areas within the City which are appropriate locations of sexually oriented adult entertainment businesses and land uses;
18. Data and studies provided by staff and/or consultants have identified those areas within the City of Mount Vernon that are appropriate for location of sexually oriented adult entertainment businesses and land uses, and these studies and this data establish sufficient number of proposed sites reasonably available to adult entertainment businesses to meet existing and demonstrated demand for adult entertainment venues in the City.

19. At this time Mount Vernon has no licensing regulations regarding the operation of most sexually oriented adult businesses, and the City currently has limited or outdated or ineffective zoning regulations which give rise to an urgent need pending completion of the Adult Entertainment Zoning and Licensing Committee's work and the adoption of permanent zoning and regulatory ordinances to adopt interim regulatory ordinances regarding adult entertainment businesses and sexually oriented adult entertainment uses to address the adverse secondary impacts of such businesses and uses while still allowing reasonable opportunities for sexually oriented adult entertainment businesses to locate and conduct their businesses within the City.
20. City recently awarded a bid to complete the City's downtown flood protection project in 2017 which, once completed, shall remove large areas of the City from the 100 year FEMA regulated floodplain, and this will likely trigger an increase in interest and redevelopment of the City's historical downtown. Absent further interim regulation, such development could include sexually oriented adult entertainment businesses to locate and conduct their businesses within this historic area of the City which is characterized as mixed commercial and residential uses where people of all ages congregate including but not limited to the City's new riverfront public plaza and river trail system.
21. The City has made significant changes to its comprehensive plan including completion of its comprehensive plan review mandated under Washington State's Growth Management Act, RCW 36.70A.130.
22. Since the City's adoption of limited zoning regulations permitting adult entertainment businesses to locate in certain areas of the City in 1995, over twenty years ago, large annexations of property have occurred as well as changes to the City's comprehensive plan and development regulations have occurred which include allowing further mixed use commercial and single or multifamily residential uses in areas of the City (including but not limited to its historic downtown) where adult entertainment is currently allowed making it possible for an adult entertainment business to be sited near, adjacent, or within the same structure as single and multiple family dwellings.
23. Proximity between entertainers and customers in adult clubs and businesses facilitates sexual conduct, prostitution, transactions involving controlled substances and other crimes.
24. To prevent sexual conduct from occurring between entertainers and customers, customers must be prohibited from any stage where adult entertainment occurs and be prohibited from passing tips, gratuities or other payments directly to entertainers performing on stage.
25. To discourage customers of bars and other alcohol-serving businesses from moving to adult entertainment businesses at two a.m. for "after hours" activities, and the increased likelihood of breaches of the peace and other criminal conduct that arise from those customers, and to reduce the adverse secondary effects of adult entertainment businesses on minors and the community, it is necessary and reasonable to restrict the closing time of adult entertainment businesses.
